HOMBRE BESTIA DE GOTHAM?"**

- Alfred Pennyworth™

LOS SECRETOS DE LA BATCUEVA

La Caja Sombría, un elegante y versátil híbrido entre un marco de fotos tradicional y un estuche de exposición, es un medio infinitamente creativo para exhibir tus recuerdos más preciados. Este particular estuche envuelve tus objetos de colección en un ambiente exclusivo y su efecto de profundidad los eleva a la categoría de obras de arte irrepetibles. Con tales antecedentes, resultaba natural que el modelo inaugural de la Caja Sombría LEGO® replicara la atmósfera y revelara los secretos de la Batcueva, la legendaria guarida de un superhéroe que opera desde las sombras para proteger GOTHAM CITY™.

Los diseñadores de LEGO® DC Batman™, de izquierda a derecha: Connie Bork, Bjarke Lykke Madsen, Daniel Lundin, Adam Corbally, Christian Barnkob, Carter Luce Baldwin, Jesper C. Nielsen y Ashwin Visser.

DEL CONCEPTO AL PRODUCTO TERMINADO

Para la creación de todos los nuevos sets LEGO® grandes y pequeños se requiere del trabajo coordinado de un equipo completo de especialistas en distintos departamentos y funciones (diseño de modelos, diseño gráfico e instrucciones de construcción, entre otros) para crear la mejor experiencia de construcción y juego. Jesper C. Nielsen, jefe creativo de LEGO DC Batman™, tuvo durante mucho tiempo una idea conceptual de lo que llamaba "una Batcueva vertical" para fans adultos: un intrincado diorama lo suficientemente estrecho como para exponerlo en un estante. El modelista sénior Bjarke Lykke Madsen había trabajado en cuatro modelos LEGO de Batcuevas anteriores, y a él se le pidió que explorara si esta idea era viable para convertirla en un set.

LA BÚSQUEDA DE LA INSPIRACIÓN

Bjarke se inspiró en el formato de la Caja Sombria y en la película *Batman vuelve* (1992). "En *Batman vuelve*, puedes ver todos los increíbles detalles y funciones de la Batcueva. Tenía la idea de que una Caja Sombria podría aportar un aspecto artístico complementario a una versión hecha con ladrillos LEGO®. A Jesper le encantó la idea y sugirió que la cara frontal tuviera un recorte con la forma del logotipo de Batman™. Acordamos que el Batmóvil fuera la pieza central de la Batcueva, por lo que incorporé un recorte a imagen del logotipo de Batman de un tamaño compatible con un Batmóvil a escala de minifigura. Y fue eso lo que dictó las dimensiones del modelo. Después, construí un primer prototipo que incluía una plataforma para el Batmóvil, estaciones de trabajo con ordenadores, la cámara para el Bat-traje, el armario de artefactos, etc."

FORMACIÓN DEL EQUIPO DE SUPERHÉROES DEL DISEÑO

Al darse cuenta de lo grande que sería el modelo, Bjarke formó equipo con su compañero modelista Carter Luce Baldwin, que sugirió una función para abrir la caja y acceder a las plataformas. Juntos, los dos diseñadores construyeron un segundo prototipo que tenía un mecanismo de apertura y mejoras en los detalles y las funciones del interior y las plataformas. Carter diseñó la entrada principal, amplificada por el imponente logotipo de Batman™. Bjarke incorporó un ladrillo con luz dentro de la cámara para crear un efecto dramático adicional y una función para cambiar las imágenes de los monitores de los ordenadores. Con objeto de enfatizar esta función, el diseñador gráfico Daniel Lundin creó detalladas pegatinas que se colocan en las pantallas.

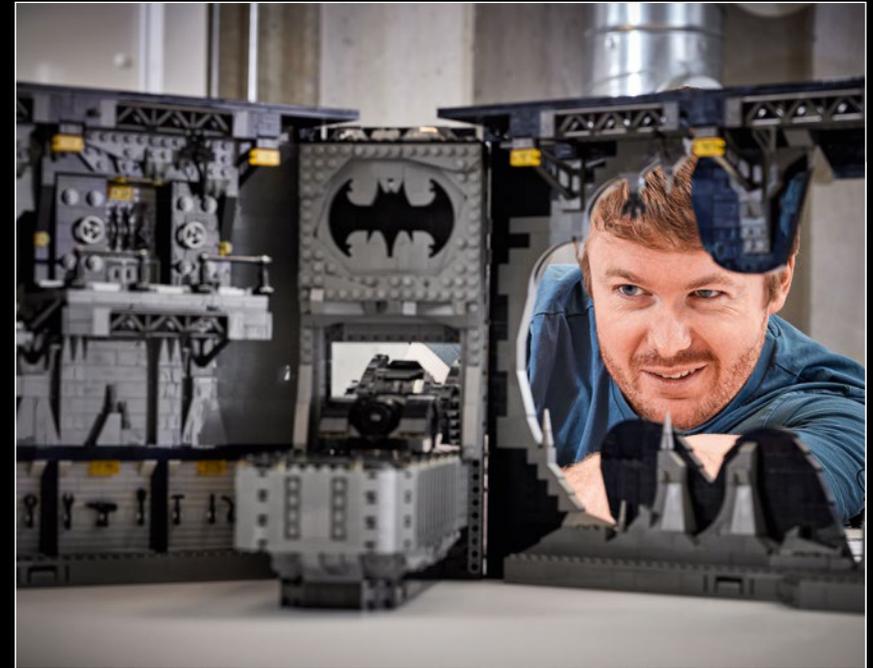

AJUSTE DE LAS FUNCIONES Y LOS PERSONAJES

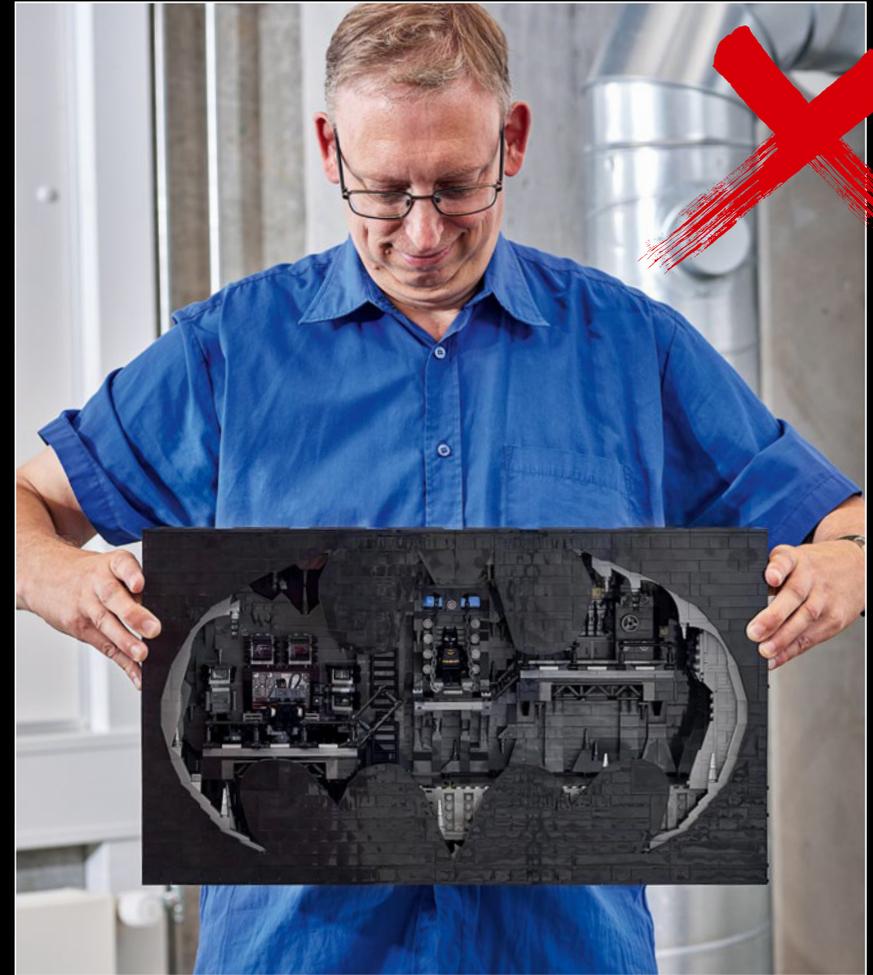

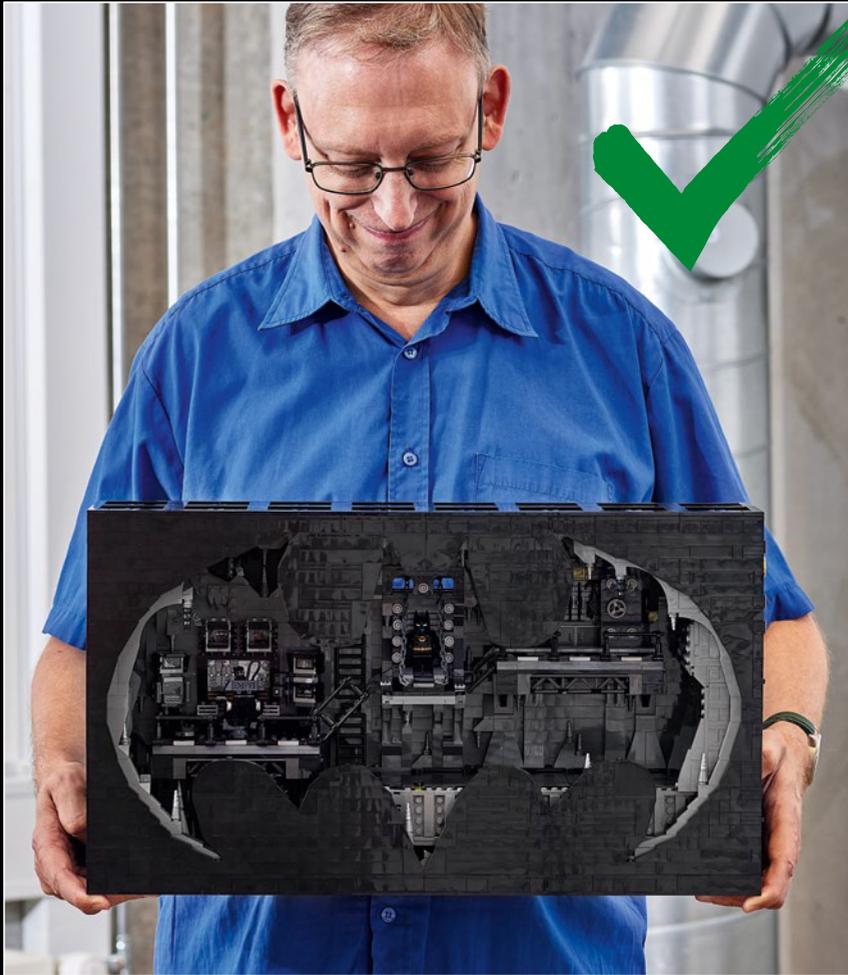

El modelista sénior Adam Grabowski se unió al equipo en las últimas etapas con el fin de ayudar a optimizar el modelo y ajustar el diseño del Batmóvil para que cupiese por la entrada principal. Se invitó a Christian Barnkob, orientador de modelos sénior, y Connie Bork, experta en instrucciones de construcción, a aportar sus opiniones sobre la experiencia de construcción en general. Mientras tanto, el maestro de diseño Adam Corbally y el diseñador gráfico sénior Ashwin Visser trabajaban en capturar y recrear los personajes principales de la película en formato de minifiguras LEGO®.

UNA CÁMARA DE DETALLES

- De las siete minifiguras incluidas en el set, cinco (Bruce Wayne™, Alfred Pennyworth™, Catwoman™, The Penguin™ y Max Shreck™) son nuevas y se diseñaron especialmente para este set.
- Las dos minifiguras de Batman™ vienen con diferentes diseños de capa y capucha: una lleva puesta una capa blanda para que quepa en el Batmóvil y la cámara, mientras que la otra tiene una capa dura que funciona mejor para exponerla en las plataformas.
- Gira las ruedas amarillas de la parte posterior del modelo para activar las funciones de las plataformas y las estaciones de trabajo.
- Guarda el elemento del Batmóvil que representa una llama en el escondite secreto.
- Enciende la luz de la cámara para añadir dramatismo a la exposición del Bat-traje.
- Sube por la escalera que conduce a la Mansión Wayne.
- Encuentra todas las herramientas que necesitas para reparar las abolladuras y daños sufridos por el Batmóvil, el Bat-traje o los artefactos de tu héroe favorito durante sus enfrentamientos con los villanos.
- Suelta el puente levadizo para entrar en la cámara del Bat-traje.

CONSEJO: CÓMO LEVANTAR EL MODELO

PRECAUCIÓN: El set LEGO® Batcueva: Caja Sombria está diseñado para levantarlo y trasladarlo SOLO en posición cerrada. Asegúrate de cerrar el modelo de forma segura y sostenerlo por los bordes inferiores cuando lo levantes para llevarlo a otro lugar.

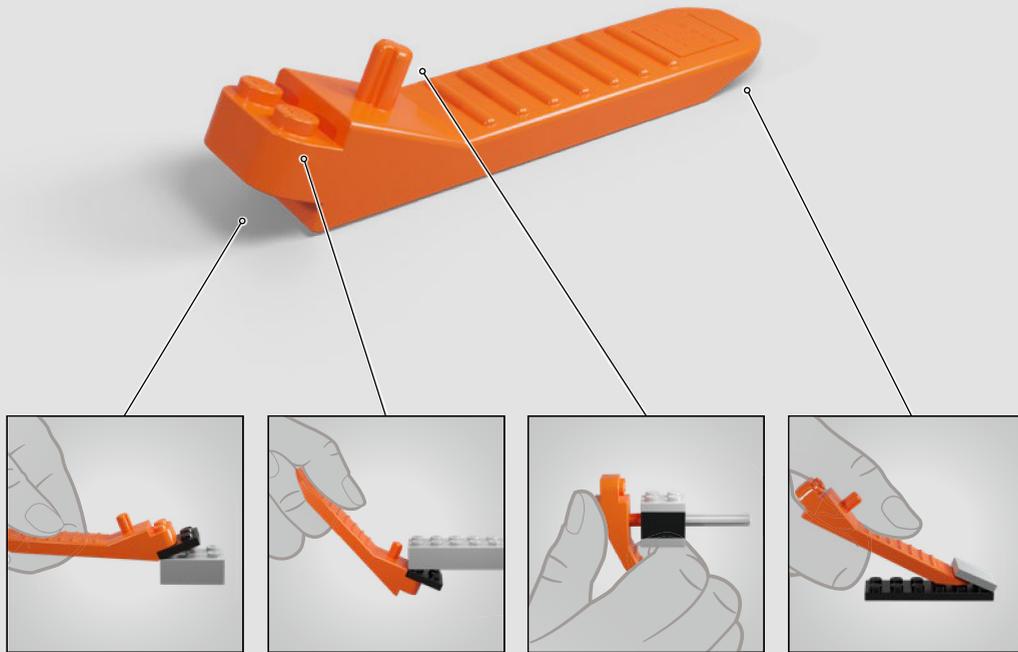

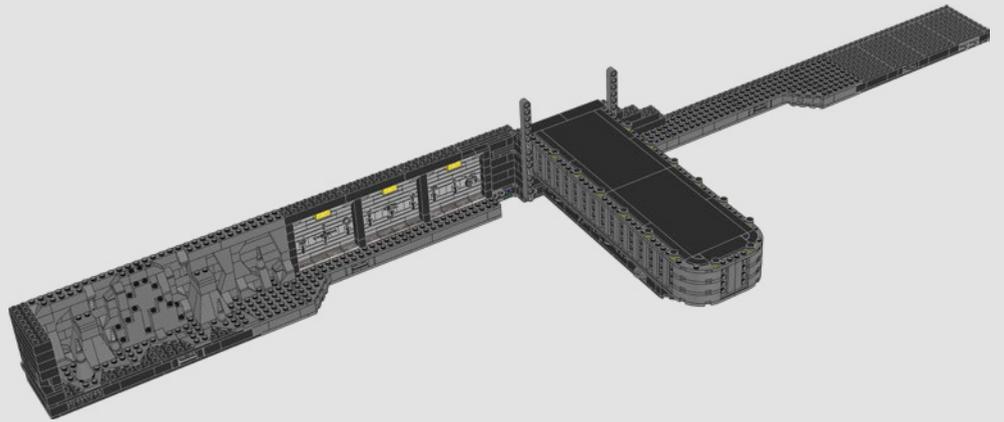

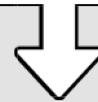

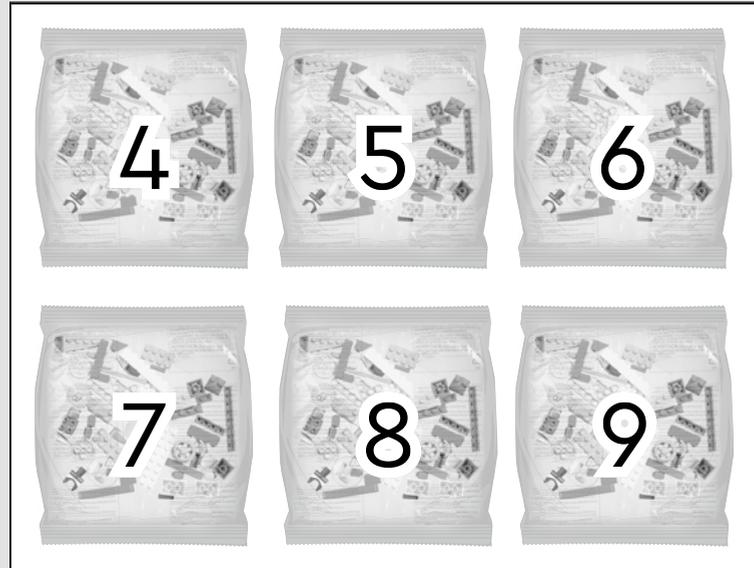

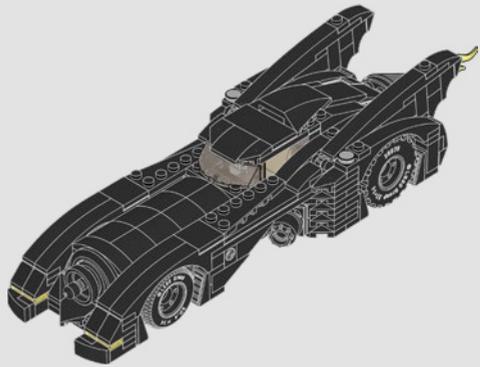

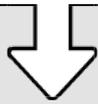

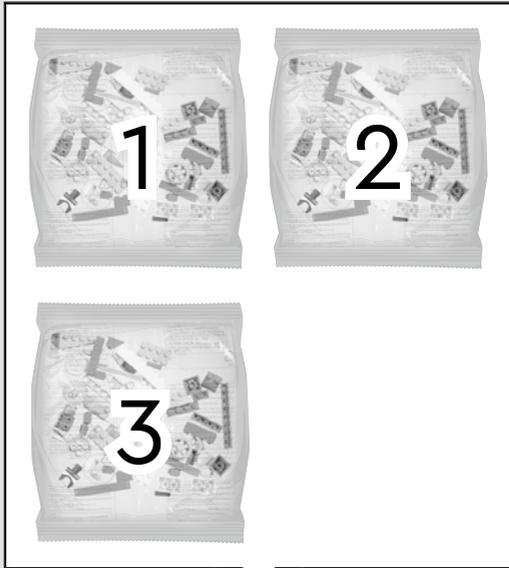

PONTE TU CAPA Y TU CAPUCHA, ¡Y PREPÁRATE PARA CONSTRUIR!

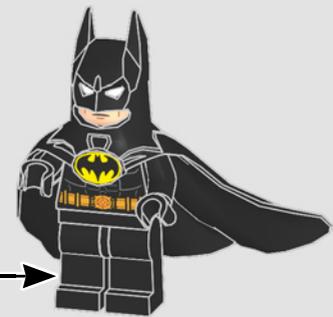

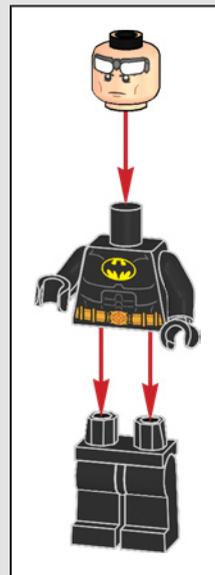

"Esta es la Batcueva como nunca la habías visto: en un formato de Caja Sombria LEGO® que no se parece a ninguno de nuestros productos anteriores. Esperamos que, al igual que nosotros, te lo pases genial explorando todos los detalles y las técnicas de construcción del set. En nombre de todo el equipo, ¡te deseo un feliz proceso de montaje y que te diviertas jugando!".

Bjarke Lykke Madsen

"SOY BATMAN".

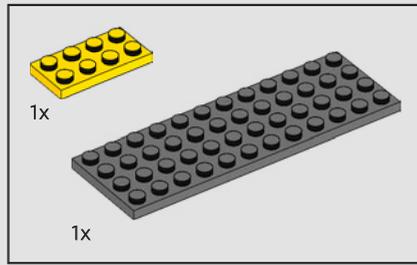

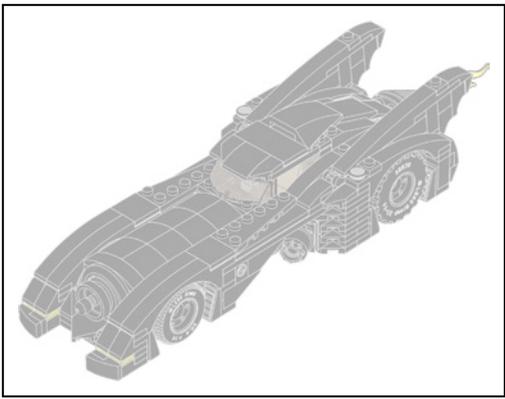

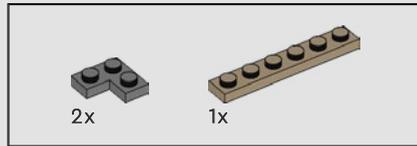

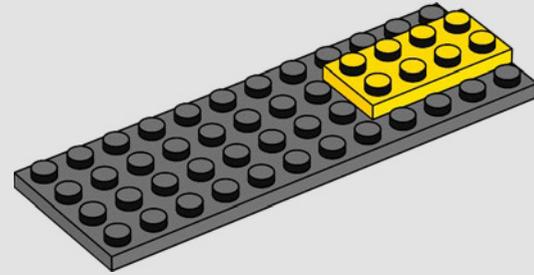

BATMAN™

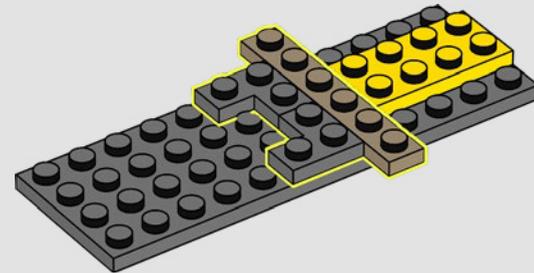

Un sofisticado héroe de GOTHAM CITY™, Batman™ ha inspirado a fans, escritores y cineastas durante generaciones. Atormentado y retraído, este vigilante tiene un corazón vulnerable y no busca fama ni gloria. Impulsado por la tragedia, se siente llamado a arrojar luz sobre los secretos más oscuros de la ciudad, solo para retirarse después a sus propias tinieblas.

EL BATMÓVIL

No puedes tener una Batcueva sin Batmóvil. Acciona la palanca del lado del pasajero para hacer aparecer y disparar los cañones ocultos, abre la cabina para colocar la minifigura de Batman™ (con la capa blanda), acopla el elemento que representa una llama y míralo girar cuando conduzcas el coche.

MAX SHRECK™

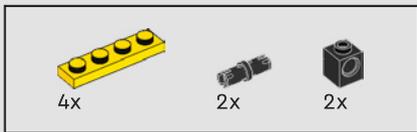

Max Shreck™ es un muy adinerado e implacable magnate de los negocios de moral dudosa, así como el poseedor del instinto de conservación más desarrollado del que hayamos tenido noticia. Para satisfacer su sed de dominación de GOTHAM CITY™, apoya a Oswald Cobblepot (The Penguin™) en su corrupta campaña por el puesto de alcalde al tiempo que fuerza a su tímida asistente Selina Kyle a convertirse inesperadamente en su acérrima némesis.
